

# Towpath Trail High School

*Finally, a high school that understands me.*

January 8, 2018

Dear Parents:

Ohio's College Credit Plus program offers students in grades 7-12 the chance to earn college credit from any Ohio public college or participating private college while earning high school credit for each college course, if the student qualifies academically. All associated costs are free to qualified students seeking credit from public colleges. At Towpath Trail High School, the College Credit Plus program will allow your child to attend classes at either The University of Akron or Stark State University and earn both college and high school credit simultaneously.

Ohio has never offered your child a better start on a college education. A College Credit Plus student enjoys the opportunity to pursue more challenging classes and explore college interests sooner. Your child can earn anywhere from a few college credits to a year's worth while still in high school. Participating in College Credit Plus can reduce your child's time in college and greatly reduce your family's higher education costs.

We will be holding an informational meeting on February 2, 2018 if you are interested in learning more about the program. Time is as follows:

- **3:00 p.m.-4:00 p.m.**

We look forward to seeing you there. If you have any questions, do not hesitate to call us.

Christina Fraser

Director, Towpath Trail High School
